- Figma

I'm an enthusiastic and driven **Full Stack Developer** with a strong foundation in both front-end and back-end technologies. I'm passionate about building scalable, user-centric web applications and solving real-world problems through code.

Work Experience

Full Stack Web Developer

🏢 Unified Mentor

📅 Jul 2025 - Oct 2025

- Integrated third-party services and APIs to enhance functionality and user experience, such as payment gateways and social media platforms.
- Collaborated with cross-functional teams to gather requirements, provide technical support, and deploy web applications to production environments.

Education

Intermediate

🏢 Kendriya Vidyalaya Raygada

📅 2022 - 2024 · Intermediate(Science) 72%

Focused on **Physics**, **Chemistry**, **Mathematics**, and **Biology**, developing strong analytical and problem-solving skills. This educational background has shaped my approach to technology, where logical reasoning and attention to detail are key.

B.Tech (Computer Science and Engineering)

🏢 K L Univeristy

📅 2024 - 2028

Currently pursuing a **B.Tech in Computer Science and Engineering** with a focus on **software development**, **data structures**, **algorithms**, and **modern computing technologies**. Gaining hands-on experience in **programming languages** and developing problem-solving skills applicable to real-world tech challenges. Eager to apply academic knowledge and grow through internships in full stack development roles.

Projects

Destin Ai | Ai Travel Planner

Project Link

Destin-Ai is an intelligent web application designed to simplify and enhance the travel planning experience .

Interactive Map

Project Link

Interactive Map rendered with Leaflet.js Button icon is fetched dynamically from an API.

SwiftResume-AI | Ai Resume Builder

Developed an AI-powered **Resume Builder** utilizes intelligent algorithms to analyze job descriptions and provide personalized resume suggestions, ensuring alignment with industry standards and best practices.

Portfolio | Amazing UI

Project Link

A professional portfolio showcasing my skills, projects, and achievements as a **Full Stack Developer**. It features responsive, user-friendly design and serves as a platform to demonstrate my work with interactive features, detailed project descriptions, and technical expertise.
